

# Charmes de Kirwan

Charmes de Kirwan, the second wine of the estate, was introduced in 1993 and has its integral place in the vineyard.

The younger sibling of the wines of Château Kirwan, which consists into 4 traditional grape - cabernet sauvignon, merlot, cabernet franc and petit verdot - benefits from the same technical attention in both, vineyard and fermentation room: vineyard selection, double sorting upon receipt of the crop in the winery, filling of the concrete vats by gravity, gentle vinification process.

The only difference with Château Kirwan lies in the assemblage; Charmes de Kirwan holds a larger proportion of merlot usually coming from medium body parcels mainly planted on sandy gravelly soil with limited clay. This provides a fruity, sweet, supple and round character to the wine. With an aging process in vats and in barrels this wine can be drunk young, with a 10-year precocious maturity peak.

## TASTING

---

Vintage 2023: (tasted by Philippe Delfaut, January 2026)

The beautiful garnet color reflects its youth. The nose is open and expressive with lovely fruity notes of redcurrant, cherry, and plum. These are followed by light hints of tobacco, vanilla, and brioche.

On the palate, the wine is tender, supple, and round. It is very well-balanced, with barely perceptible tannins. This Charmes de Kirwan is delicious and already offers great pleasure.

### Blend

▪ 66% Merlot ▪ 27% Cabernet Sauvignon ▪ 7% Cabernet Franc

**18-month aging in concrete tulip-shape tanks (50%) and one-year used oak barrels (50%)**
